MUSICAL PROGRAM

In the registration form, it is necessary to present your Musical Program, which must list at least 4 arias in order of preference.

Please follow these indications:

- For main roles (you can apply for one or more roles):
The musical program must include all the arias for the role or roles chosen.
Remember that the jury may ask you, in addition to the proposed arias, duets or concertati for that role.
If the arias of the chosen role are not sufficient to reach the 4 required arias, complete your program with arias from different operas of your choice.
- For Secondary Roles that have no arias: present 4 arias of your choice.
- For the Audition: present 4 arias of your choice.

Please present pieces taken only from famous operas or light operas (operetta) often performed in opera theatres. Please prefer Italian pieces.

All arias must be performed by heart, in the original key, complete with any recitative and cabaletta. The light operas (operetta) must be performed in Italian.

We do not accept any arias taken from rare and little-performed operas. In an exceptional way, we can accept ancient and chamber arias only from students up to the fourth year of studies.

For any doubts regarding the filling of the Musical Program you can write to labelcanto@gmail.com

DEADLINE FOR REGISTRATION: 17 october 2024, 12 PM Italy Time.
